The Great Lakes Lace Group Inc. (GLLGI) was formally organized in 1976 and is made up of members located in Michigan, other states and other countries.

The purpose of the GLLGI is "to stimulate and foster a public interest

in and appreciation for all phases and facets of lace and lace making, including but not limited to its history, collection, creation, and preservation; to share and disseminate information, experience and expertise regarding this time honored, decorative art and craft; and to promote and develop the skillful making of lace by way of demonstration, instruction, teaching or otherwise".

The GLLGI sponsors workshops in all types of lace. Members demonstrate lace making at Michigan State Fair, Sauder Village in Ohio and numerous other public events. Meetings are held six (6) times a year in the Southeastern Michigan area. A newsletter is published bi-monthly. The group also maintains a library that includes books and videos on all types of lace, lace making, lace history, etc. for borrowing by members.

Membership is open to any person interested in lace. Applicants must file an application form and pay the required dues. The GLLGI does not discriminate against anyone on the basis of race sex, age, color, creed, religious affiliation, national or ethnic origin, and previous condition of servitude or handicap.
